GlobalTRONICS 2008 to offer cost-saving manufacturing and innovations

GlobalTRONICS 2008 will bring visitors a dedicated showcase of six electronics manufacturing segments from more than 550 international suppliers from 30 countries worldwide including key international participants from the United States of America, Germany, Japan, China,

Hong Kong, Taiwan, the United Kingdom, Singapore and more. The show serves as the meeting ground for industry professionals to network, exchange views, as well as explore collaborations and business opportunities. The 2006 edition of the show brought 11,960 visitors from 58 countries visited to see the exhibits of 579 companies. About US\$57.5million worth of sales was concluded at or after the exhibition.

GlobalTRONICS 2008 will be held from

September 9-12, 2008, at the SUNTEC Convention Centre, Level 4. This event will feature a Technology Forum that will showcase a lineup of prominent speakers from the industry who will present a wide range of state-of-the-art and innovative products and services that cater to the trends of the industry today. The show is organized by Reed Exhibitions. For more details, contact MRA Communications Pte Ltd (65) 6338 6780 or visit www.globaltronics.com.sg
